**\* A portion of Rainbow claims #69-71 (approximately 30-40%) fall within an area where the federal government lacks mineral rights and where such rights have been reserved by Arizona. The maintenance fee for these 3 claims was not paid for 2010 and the maintenance fees paid in earlier assessment years were returned by the BLM.**

**\*\* Although Wesco Minerals, LLC has paid the annual maintenance fee for the lode mining claim FAN #47 consistently since it acquired the claim from Black Mountain Mining Corp. on June 29, 2005, the US Bureau of Land Management has closed the claim for failure to pay the requisite maintenance fee. The US Bureau of Land Management has been contacted concerning this issue and it is investigating the matter.**
